Just One Application  
and the Hairs Vanish

(Modes of Today)  
A harmless, yet very effective, treat-  
ment is here given for the quick re-  
moval of hairy growths: Mix enough  
powdered delatone and water to cover  
the undesirable hairs, apply paste and  
after 2 or 3 minutes remove, wash  
the skin and the hairs have vanished.  
One application usually is sufficient,  
but to be certain of results, buy the  
delatone in an original package.

**Sand In the Gears  
Tied Up Machine**

Toning Up the Human Body  
Like Cleaning the Bearings

When something goes wrong with  
the stomach, the whole human ma-  
chine grates and grinds. It's like  
sand in the gears of a machine. Soon  
the fermentation of the food begins  
to force poisons into the blood. The  
liver is unable to take them out.  
Then the liver is affected. It gets  
sluggish. The blood gets worse and  
worse, and the nerves are not prop-  
erly nourished. This vicious cycle  
goes on until the heart is uncertain.  
Keep the stomach well, and avoid con-  
stipation, and aside from infection,  
you will be well. But if your stom-  
ach is uncertain, your nerves atingle,  
your liver sluggish, start things going  
right with Nu Vin, the great Iron  
Tonic. Its stimulative effect will re-  
new the blood, invigorate the organs,  
and bring you health. That is just  
what it is doing for thousands now.  
Here is a case that proves it. "My  
trouble commenced with a sour stom-  
ach. I could not digest my food. Be-  
fore long I had neuritis, with pains  
in my shoulders and through the body.  
Then I began to cough until I could  
not lie down at night. One of my  
neighbors urged me to try Nu Vin  
Iron Weed Tonic. Improvement was  
very quick. The cough stopped, the  
pains left me, my digestion is excel-  
lent and I feel cured of all my trou-  
bles. Mrs. E. Kling, 2929 N. Comac

## CHAMP CLARK TO ADDRESS SOLDIERS

Former Speaker Champ Clark will  
be the principal orator at the sol-  
diers' celebration at Alexandria  
Court House, Fort Myer Heights, on  
Labor Day, it has been announced.  
Congressman Walton Moore, of  
Fairfax, will have charge of the ad-  
dress on the program, and it is ex-  
pected that at least three hundred  
ex-service men from all over the  
county will be present.  
Those of the boys who did not  
come home from France are not to be  
forgotten in the celebration. Sub-  
scriptions have been collected and  
plans are being considered for a  
memorial to be erected near the  
catharine overlooking Washington.  
A meeting of the committee in  
charge last night reported completed  
plans for the day. Trucks from Fort  
Myer will convey the soldiers and  
sailors in a parade from the court-  
house at 11 o'clock, followed by a  
dinner on the grounds to the men  
and the invited guests. The Red  
Cross will serve ice cream and soft  
drinks will be for sale.  
The program will start at 2 o'clock  
with an address by Judge Goolbreck,  
of Fredericksburg, and some war  
stories by veterans of other wars.  
In the afternoon there will be an  
athletic program with games, tug-  
of-war, and sports for the onlookers.  
A prize of \$50 has been offered for  
the best decorated automobile in the  
parade. Prizes will be awarded win-

## KOLCHAK TO FIGHT FOR HOLD ON OMSK

Admiral Kolchak, according to  
latest advice, proposes to make a big  
fight for the possession of Omsk at  
the nearest river to that city, instead  
of at the Tobolsk river. He is depend-  
ing for assistance on General Deni-  
kine's forces.  
Admiral Kolchak claims to have  
managed his resistance to the Bolshe-  
viki so as to place his advance posts  
to the south in touch with Denikine  
at Riazan. Trotsky has returned to  
Bolshevik headquarters after observ-  
ing the advance of Denikine's army  
and advised the soviets that Deni-  
kine's army must be crushed before  
winter sets in.  
This information comes to the State  
Department through Sweden from  
Russian sources, in addition to in-  
formation that the Bolsheviki are em-  
ploying German officers, who are be-  
ing paid high salaries.

## BOLSHEVISTS ADMIT UKRAINE REVERSES

LONDON, Aug. 21.—Anti-Bolshevik  
forces have occupied Kherson and  
Nikolaev, in the Ukraine district, of-  
ficial reports from Moscow admitted  
yesterday.  
The Bolsheviki announced they had  
retired behind the River Bug.

## YANKS HASTENING OUT OF GERMANY

BERLIN, Aug. 21.—American  
evacuation of Germany proper is in  
full swing. Officers and men who  
for months have conducted the Rus-  
sian prison camps, under the super-  
vision of the Red Cross, were pass-  
ing through Berlin today en route  
to Brest.  
It is not believed that Marshal

Foch will alter his order delivering  
the camps to the Germans, so the  
Red Cross has begun to demobilize  
its organization and its assistants  
from the army.

The American mission here also is  
being gradually dissolved and will  
have concluded functioning by the  
end of August.

JAPAN PLANS NEW CABLE.

SAN FRANCISCO, Aug. 21.—Japan  
is ready to lay a new trans-Pacific  
cable. This is the message brought  
here by Kakichi Uchida, capitalist  
and former vice minister of cables of  
Japan, who is here to inform Ameri-  
can capital of his plans.

## ISHII DENIES CLASH WITH U. S. OVER ASIA

TOKYO, Aug. 21.—Viscount Ishii,  
Japanese ambassador to Washington,  
in an interview on arriving here, said  
he held an entirely optimistic view  
regard to the relations between the  
United States and Japan. He said  
there was no collision of vital inter-  
ests between the two countries.  
He believes America's vital inter-

ests are mainly in the European and  
Latin-American markets, and not in  
the Oriental market. He thought the  
United States is contented with the  
strict observance by the powers of the  
open door and equal opportunity prin-  
ciple in China. To his mind America's  
safety in the Far East lies in her de-  
veloping China industrially and com-  
mercially hand in hand with Japan  
and the other powers.

The ambassador declined to make  
any statement concerning his reported  
misunderstanding with Secretary of  
State Lansing over the proposal to  
appoint Baron Sakatani financial ad-  
viser to the Chinese government.

## D. C. WOODMEN GUESTS AT CHESAPEAKE BEACH

Washington members of the Wood-  
men of the World are the guests to-  
day of the Forestville, Md., camp of  
the Woodmen on an annual outing at  
Chesapeake Beach. Several thou-  
sand Woodmen are on the excursion.  
There will be a program of athletic  
events this afternoon. Free dancing  
will be an all-day attraction. Wood-  
men unable to spend the entire day  
at the resort will make the trip on  
the train leaving the District line at  
8:30 o'clock tonight.

## QUEBEC NOTABLES TO GREET WALES

QUEBEC, Aug. 21.—A distinguished  
array of officials, including the Duke  
of Devonshire, governor general of  
Canada; Premier Borden, and Cardi-  
nal Beaudry, lord bishop of Quebec, will  
greet the Prince of Wales upon his  
arrival here on the British warship  
Renown this evening.  
The prince will formally open the  
new Quebec bridge tomorrow.
